Public Accountability

The Foundation maintains organizational and governance records including its IRS determination letter, certificate of formation, bylaws, conflict-of-interest policy, and annual federal filing. Public copies of applicable records may be made available through the Foundation's transparency page.

Looking Ahead

In 2026, Golden Archive Foundation plans to focus on the development and public launch of its initial cultural and educational programs, including The Hidden Works Discovery Contest and Worlds Imagined: An Atlas of Mythic Cosmologies.

The Foundation also plans to expand opportunities for volunteer participation and continue developing the organizational capacity needed to support its programs and public activities.

Additional initiatives will be announced as they are formally approved.
